Charles Van Buskirk

Charlie's presence in the choir gave us all great joy and we miss him.

We wish to celebrate Charlie's memory in a way that he would love and understand. Thus, we have recorded here some of our favorite and best loved music including anthems sung at his memorial service. Thursday night rehearsals and Sunday services were a central part of Charlie's life. His wife Helen tells us that he would quickly take his early Thursday evening dinner and rush off to be with the choir that he loved and respected. He cherished the special meaning that each anthem brought to him and took great satisfaction in sharing this with his colleagues and the congregation. We all shared this peace and spirituality.

R.W.K.

The motivation to make this recording has had many dimensions. This, for example, is the latest in a series of recordings made by the Senior Choir over the years chronicling admirably its range of expression by various personnel in the membership and in the leadership. This album also celebrates the important role the music ministry plays in the life of the church, both in the fabric of its community fellowship and the spirit and vibrancy of Sunday and other services. Last, but not least, this project honors the memory of Charles Van Buskirk, a dedicated chorister and soloist with a booming bass voice, a vibrant personality, and a deep affection and talent for music.

Federated Church of Hyannis

The Federated Church of Hyannis is an independent, interdenominational mainline church that came into being in 1917 as a result of the merger of pre-existing Congregational and Universalist congregations. All of its senior ministers have, however, come out of the Congregational and later, the United Church of Christ traditions. This active and community based church family of some 800 members offers its members and friends a full range of activities, programs, and worship.
